General tour + information

This tour lasts 3 days / 2 nights starting from Bogotá. On this tour, we will visit Tenza Valley, a place located 4 to 5 hours driving from Bogotá. It is famous for its wide variety of landscapes, weather, and its charming people. This is a photography tour suitable for amateurs to professional photographers. It is focused on 4 different techniques: macro, portrait, night and 360°.

We will spend 2 nights in a log cabin in Santa María and touring around the Valley. We start before dawn and spend long days taking pictures. Sometimes we will offer packed breakfast and picnic lunches to extend shooting time. At some points, we will walk some long distances on muddy roads in order to reach the perfect photo. Additional detailed information will be sent to you once you have booked this tour. However, if you have any questions, please send us an email at info@equal.travel and we will reply as soon as possible.

Recommendations

- + Avoid the use of insect repellent and/or lotions before starting any activity. Bring long sleeved shirts and trousers to cover your entire body when needed.
- + You don't need any vaccination certificate when you travel to Colombia; however, because of the characteristics of some particular destinations, specific vaccines may be required; we strongly recommend to confirm with us prior to your trip (e.g. yellow fever, typhoid and hepatitis A).

- + Bring the following basic equipment (essentials).

Hat, lightweight and waterproof jacket (dark colored), sunglasses, sunscreen, hiking boots, and a small led flashlight.

For muddy trails we recommend rubber boots. For usual walks on the tour hiking boots, and for the evenings sneakers.

Please don't bring bright colored clothes.

Your camera and gear. If you don't have one we can rent it to you! Ask for the different options.

- + We strongly recommend using backpacks as luggage. Please do not bring hard suitcases due to mobility restrictions.
- + Keep your personal belongings with you at all times (passport, money, equipment, etc.)
- + All our tours provide basic travel insurance; we highly recommend a personal travel insurance policy that provides sufficient medical and security coverage according to your needs.
- + You will need a valid passport to come to Colombia. Please verify that your passport is valid for at least six months after your intended return date. If the expiration date is uncomfortably close to the cutoff, make sure you renew it ahead of time. Travelers from some countries have to present a visa for entering Colombia; please check.
